2024 Banquet for Life

On April 11th, Jennifer O'Neill, famous actress and Covergirl model, author of 9 books and a workbook for post-abortion recovery, entertained and inspired PCPlus guests at the Cincinnati Hyatt Regency. Former news anchor, Mary Krutko Massa, engaged Jennifer in a fireside chat with curated questions, including her decision to abort soon after Roe v. Wade made abortion legal in the United States. Jennifer toured the pregnancy center and had lunch with special guests earlier in the day. This enabled her to understand and highlight how PCPlus helps pregnant women understand their options in a loving environment, resulting in preborn lives saved and women helped with Hope and Truth. She also credited her conversion to Christianity as the reason she found forgiveness and healing from her abortion. Her openness and sincerity touched the hearts of hundreds of attendees and contributed to a deeper understanding of how to love and minister to our post-abortive friends.

From Trauma to Thriving

DEAR PRO-LIFE FRIENDS
OF PCPLUS,

**“If a person cannot fall without His notice,
then a nation cannot rise without His
help.” - Benjamin Franklin**

In this culture of death, each of us has the God-given ability and responsibility to be the light of Christ. As PCPlus friends, we must continue to: “Be like a burning coal that, when the storm rages and blows against it, only burns hotter and with greater brightness and intensity.” (Ed Sitter, Greater Toledo Right to Life). We rightfully feel the pain of Ohio’s loss on Issue 1, last November. When things go wrong though, we don’t go wrong with them. As always, we are called to continue being His people of HOPE, where the darkness cannot overcome the light.

Tragically however, people once again have bought into a deadly scam. We are witnessing a “network of complicity” ...choice of selfless or selfish; right to privacy exploited to justify taking another’s life albeit privately; sex seen without consequences, responsibilities, or virtue; a child not seen as a person but as property to be disposed of.

It is inherently evil when any segment of our human family is readily considered expendable by those who contend to know what’s best for them. History is replete with horrific examples.

Sharing the Truth with love and prayer remains central to our PCPlus outreach: volunteers, benefactors, staff, clients, and you, dear reader. Our clients rely on all of us. “Rise up!”

God is good!

Jane Hoffman

Board Trustee

**“Let’s get the big things right and
engage in honest dialogue for
honest truth ... with His help
our nation will rise.”**

with highly specialized trauma care in an environment that is of the same quality as someone paying out of pocket.”

Stephanie’s experience in treating trauma using psychotherapy and neurotherapy are well-indicated for pregnant women who are unable to take medications. We are confident she will have an amazing impact on promoting healing and stable decision-making in PCPlus clients. We welcome Stephanie’s expertise in helping PCPlus to support the creation of strong, healthy, thriving families.

Right Mind Wellness Center will open this summer in our newly remodeled lower level!

PCPlus is committed to surrounding pregnant couples in crisis with vital resources to choose life, and to flourish with that decision. We are excited to announce that we are adding a new service to our menu of *on-site* critical services for our clients.

We are partnering with Right Mind Wellness Center to bring biblically based psychological counseling and neurotherapy to our clients in need of healing for trauma, depression, anxiety, or addiction.

Meet Stephanie Ryall

Stephanie Ryall, MS, LPC, NCC, BCN, QEEG-DL combines psychotherapy, neurotherapy, and Christian counseling to help clients heal mind, body, and Spirit as holistically as possible. She began her career in a mental health agency and quickly transitioned into private practice to create a luxury environment for low-income Medicaid families.

“I started RMWC because I wanted to treat the poor how they deserve: pampered, loved, welcomed, unjudged, wanted. It’s the Jesus model. It’s important to me to provide the neediest people
