

Parish Guide

Walking With Moms in Need

Pregnancy Center Plus

Pregnancy Center Plus is committed to helping struggling families to thrive. We offer guidance to parishes on ways to partner with us in your Walking With Moms program. You can make an impact by sharing your talents or treasures with growing families in need.

Here are some of the ways your parish can help:

Host a baby shower

We will provide a list of items needed. Parishioners can bring the items to church or order them from our online gift registry.

Organize a Baby Bottle Campaign

Distribute empty baby bottles which parishioners return with filled donations.

Become a mom or dad mentor

Provide one-on-one coaching to a mom or dad who needs support. You'll receive training on how to coach our clients who could benefit from your wisdom and experience.

Host a talent drive

Recruit parishioners with specialized talents who can teach our clients: parenting skills, finances, job skills, starting a business, etc.

Volunteer as a tutor

Many of our parents need additional help in pursuing their educational goals. One-on-one tutoring can be extremely valuable.

Print in your bulletin

Submit information about pregnancy resources, PCPlus events, or needs in your weekly bulletin.

Collect baby items

Start a drive for diapers, wipes, other baby items, maternity clothes, etc.

Pray with us

Pray for our moms and families in your daily prayers, during Eucharist Devotion, or when praying the rosary.
