

Parish Guide

Walking With Moms in Need

Pregnancy Center Plus

Pregnancy Center Plus is committed to helping struggling families to thrive. We offer guidance to parishes on ways to partner with us in your *Walking With Moms* program. You can make an impact by sharing your talents or treasures with growing families in need.

Here are some of the ways your parish can help:

Host a baby shower

We will provide a list of items needed. Parishioners can bring the items to church or order them from our online gift registry.

Organize a Baby Bottle Campaign

Distribute empty baby bottles which parishioners return with filled donations.

Print in your bulletin

Submit information about pregnancy resources, PCPlus events, or needs in your weekly bulletin.

Schedule a tour

Take a tour of our ministry, or invite PCPlus to speak to your Church group. Let's collaborate!

Volunteer as a Client Advocate

Educate women on life-affirming pregnancy options. Training provided. Flexible hours.

Volunteer as a Men's Mentor

Empower men to advocate for their unborn children. Training provided. Flexible hours.

Collect baby items

Start a drive for diapers, wipes, other baby items, maternity clothes, etc.

Pray with us

Pray for our moms and families in your daily prayers, during Eucharist Devotion, or when praying the rosary.
